Melbourne Village House Rules

Please see below list of important Owners Corporation rules that must be adhered to during your stay to ensure the peaceful enjoyment of all occupants.

NO EXCESSIVE NOISE & PARTIES

Melbourne Village is a residential building with over 500 apartments. This means that a strict "no excessive noise or parties policy after 10 PM" will be enforced. Initial warning will be issued by the building Concierge team, but further complaints will result in VicPol being contacted for eviction.

THROWING ITEMS OFF BALCONIES

Throwing cigarette butts off balconies cause a **major fire** risk. Please dispose of your cigarette butts responsibly using a sealed container.

Throwing bottles and rubbish off the balconies has potential to cause fatal injury. Please dispose of your rubbish responsibly.

WASTE MANAGEMENT

- General waste can be disposed of using the bin chutes on each floor, located inside the bin room next to the lifts. If the bag is too large to fit through the chute, it must be disposed of using the large bins on level B2.
- All recyclable waste must be disposed of using the large bins on level B2.
- No rubbish of any kind should be left on the ground inside the waste rooms.

Important Information
